wear supply co.

From Factory to Brand.

ACTIVE WEAR COLLECTION

Built for the Field. Branded for the Club.

SPORTSWEAR & CLUB JERSEY MANUFACTURING — WHOLESALE CATALOG

FULL-CHAIN MANUFACTURING

You Have a Problem.
We Have the System to Solve It.

Most buyers piece together a supply chain from disconnected vendors — a performance fabric mill here, a sublimation printer there, a separate cut-and-sew shop, a separate QC step. We control the full production chain ourselves, from yarn through to a finished, branded and exported garment.

04
EXPORT

YOU BRING THE REQUIREMENT. WE HANDLE THE PRODUCTION.

WHO WE ARE

A manufacturing partner — not a blank wholesaler.

Wear Supply Co. is a B2B apparel manufacturing and export partner built for premium sportswear, club teamwear and performance brands. We take full ownership of the production chain — from raw material through to a finished, exported product ready for your customer.

We work sample-first: you approve a real, physical sample before we move to bulk production, so there's no guessing what you'll receive at scale.

WHAT SETS US APART

SAMPLE-FIRST MODEL

You approve a real sample before bulk production begins — no surprises at scale.

FULL-CHAIN CONTROL

Fabric, cut-and-sew, sublimation and finishing — one accountable partner, start to finish.

LOW MOQ

10 pieces per style, per color — low enough to test a concept properly.

CLUB-READY BRANDING

Team crests, sponsor logos, player names and numbers — built for club kits.

EXPORT READY

Packed and prepared for international delivery.

HOW WE BUILD

From Fabric to Finished Kit.

01	**FABRIC SOURCING**	Performance and moisture-wicking fabric selected and inspected against defined standards.
02	**CUTTING**	Panels cut to pattern with tolerance checks on every ply.
03	**SEWING & BONDING**	Construction assembled by section — flatlock seams and mesh paneling for comfort.
04	**SUBLIMATION PRINTING**	Full-color team graphics, crests, numbers and sponsor branding printed.
05	**EMBROIDERY**	Crests, logos and player names digitized and stitched.
06	**FINISHING**	Trims, labels and mesh panels attached.
07	**QUALITY CONTROL**	Every unit checked against the approved reference sample.
08	**PACKING**	Folded, polybagged or boxed to your distribution requirement.

TWO WAYS TO WORK WITH US

Two Ways to Build With Us

Whether you need ready-to-order active wear basics or a fully branded club kit, we can work around your requirements.

01 — READY-TO-ORDER ACTIVE WEAR

Start with our proven active wear range.

Performance basics ready for branding, customization and resale.

AVAILABLE CATEGORIES

— Performance Shorts
— Track Trousers
— Training Shirts
— Lightweight Jackets

IDEAL FOR

Brands looking to launch quickly, test products, build collections or customize an existing silhouette.

YOU CHOOSE

Style → Color → Size → Branding / Finishing

02 — CUSTOM CLUB KITS

Start with your club.

Develop a jersey or kit around your team colors, crest and sponsor requirements.

WE CAN DEVELOP AROUND

— Custom team colorways
— Custom fit & silhouette
— Sublimation graphics
— Names, numbers & sponsor branding

IDEAL FOR

Clubs and brands that need a fully branded kit rather than an existing blank.

YOU PROVIDE

Reference / Concept → We Develop → Sample → Approval → Production

Not sure which route fits your brand? Talk to us.

THE RANGE

The Core Active Wear Range.

Built around club jerseys — short and long sleeve — plus performance shorts, trousers, training shirts and lightweight jackets.

01 CLUB JERSEY — SHORT SLEEVE

02 CLUB JERSEY — LONG SLEEVE

03 PERFORMANCE SHORTS

04 TRACK TROUSERS

05 TRAINING SHIRT

06 LIGHTWEIGHT JACKET

Fabric and weight specifications confirmed per style on request.

CUSTOMIZATION & BRANDING

Whatever the Kit Requires.

From team crests to sponsor logos — sublimation, embroidery, player names and numbers, all produced in-house.

SUBLIMATION PRINTING

Full-color, all-over graphics that won't crack or peel.

EMBROIDERY

Crests, logos and wordmarks digitized and stitched.

PLAYER NAMES & NUMBERS

Heat-transfer or sublimated, per player or in bulk.

SPONSOR BRANDING

Front, back and sleeve placements to your spec.

TEAM CRESTS & PATCHES

Woven, embroidered or heat-sealed crests.

CUSTOM COLORWAYS

Any team colorway, matched to your club or brand.

Have a technique in mind that's not listed? Ask — if it's producible, we can likely do it in-house.

WHY WORK WITH US

A partner built for long-term supply.

01	**CONSISTENCY**	Reliable production across repeat orders.
02	**QUALITY**	Materials, construction and finishing that meet defined specifications.
03	**FLEXIBILITY**	Blank products or fully customized manufacturing.
04	**SCALE**	Production designed around growing requirements.
05	**PARTNERSHIP**	A supply partner, not just another vendor.

HOW TO ORDER

From First Message to Delivery.

Two simple paths, depending on whether you're ordering active wear basics or a branded club kit.

FOR ACTIVE WEAR

01 Select your products

02 Choose colors & quantities

03 Add branding if required

04 Confirm order

05 Production & dispatch

FOR CLUB KITS

01 Send your reference / concept

02 Discuss specifications

03 Development & sampling

04 Approve sample

05 Bulk production

06 Quality control & dispatch

ONE PARTNER, START TO FINISH

We control the full chain — yarn, garment, brand, export — and work sample-first so you approve a real product before bulk production begins.

You Bring the Requirement.
We Handle the Production.

Need performance active wear? Need a branded club kit developed? Need a full-chain manufacturing partner? Send us your requirements — we'll take it from there.
